Hayward Boys Basketball

2026-27

Hayward Boys Basketball

Our program exists to help student-athletes grow as basketball players, teammates, students, and young men. Winning matters, **a lot**, but it is not the only measure of success. We will also measure our program by effort, accountability, improvement, toughness, unselfishness, and the way we represent our school and community.

Player Expectations

- Be on time. Early is on time. Players should be dressed and ready before the scheduled start of practice, meetings, film, lifting, or games.
- Be prepared. Bring proper shoes, practice gear, water, and any required school-issued equipment.
- Be coachable. Listen, accept correction, and respond with action.
- Be a great teammate. Encourage others, communicate, celebrate team success, and avoid negative body language.
- Represent the program well in school, online, in the community, on the bus, and at all athletic events.
- Take care of academics. Players are students first and are expected to meet all school and athletic eligibility requirements. Coaches will be doing periodic grade checks. Athletes are expected to have all work turned in throughout the season.

Coaches Role/Parents Role

All we as coaches can ask of our players is for their best effort. They can expect the same from us. We as coaches will do everything we can to give the kids the opportunity to succeed. Parents, you can help us by supporting the program in a positive way. This means showing support for **everyone** in the program.

Playing Time

Playing time is determined by the coach and the player.

Missing Practice

Players are expected to be at practice every day. We as coaches understand that there will be times when you will miss practice. This will fall into one of two categories – excused/unexcused.

Excused = Sick, family emergency.
Unexcused = Work, college visits, vacations, deer hunting, etc.

If you miss practice for an unexcused reason, there will be consequences when it comes to playing time. The punishment will be handed out by the coach and can include not playing for all or part of a game, or even not dressing for a game. Serious infractions can result in being dismissed from the team.

Understanding Your Role on a **TEAM**

Every player in the program has value. Every player will have a role. Roles may change throughout the season, but the expectation does not: bring your best effort, be coachable, and put the team first.

Varsity Lettering Requirements

In order to receive a varsity letter for boys' basketball, the following criteria must be met:

1. Be on the varsity roster at the end of the season. (The season ends the night of the basketball banquet)
2. Have appeared in one varsity game over the course of the year.

Exceptions can be made at the coach's discretion.

Parent Concerns

If you have concerns or questions about things that we as coaches are doing, we will be more than happy to talk with you under the following conditions:

1. There will be a minimum of 24 hours after the completion of a game before contacting a coach regarding concerns.
2. The meeting will take place in the High School Office.
3. The participants in the meeting will be the coach(es), parents, and player.
4. We will NOT be talking about other players on the team. (example: My son Jim should be playing in front of Tom.)

Hazing, bullying, harassment, intimidation, or any form of mistreatment of teammates, coaches, fans, or referees will not be tolerated and may result in disciplinary action, including suspension or removal from the program.
