2026-27 Season Fundraiser

Gift Certificate Pre-Sale

HBBA (Hayward Boys Basketball Association) have been able to secure 8 participating businesses in a fundraiser that is meant to keep money local and give the purchaser 100% buying power.

How it works:

Players will pre-sell gift cards to these businesses in pre-determined amounts (see the attached). Once the period is over the player will turn in their form and all the money collected and HBBA will total everything and purchase all of the gift cards. Gift cards and forms will be given back to the player to distribute to those that purchased.

How do we make money:

We have negotiated with these businesses to sell the gift cards to HBBA at a discounted rate, for example: Player sells $100 gift card to Grandparent A. Player A collects $100 from Grandparent and turns it into HBBA. HBBA purchases a $100 gift card at a 20% discount, or $80, and gives the $100 gift card to the grandparent. HBBA makes $20 in this example.

What is the money used for:

HBBA is the fundraising arm for the entire boys basketball program in Hayward. These funds will be used for purchasing additional equipment outside of the school budget, helping to fund the summer program, and purchasing other misc items that help support the program.

Incentives:

1. For every player that sells $1,200 in gift cards they will receive an Under Armour quarter Zip.
   a. 
2. For the player that sells the greatest dollar amount they will receive a personalized Under Armour Hayward Basketball Backpack.
   a.
